

CONSTITUTIONAL LEGAL CONFLICT - MEAN OF RESOLVING INSTITUTIONAL BLOCKAGE

Verginia VERDINAȘ¹

Abstract. *The study aims to analyze the legal regime of constitutional legal conflict. The first section provides a general analysis of the role of the Constitutional Court as guarantor of the Constitution. The second section is devoted to the presentation of the legal regime of the constitutional legal conflict from a legal perspective and doctrine. The third section provides a brief description of a recent Constitutional Court decision of resolving a constitutional legal conflict, namely the Decision no.68/2017.*

Keywords: constitutional legal conflict, rule of law, Constitutional Court, role, responsibilities, legal status, legal regime, decision
